

Fall Reopening Survey Data

July 2020

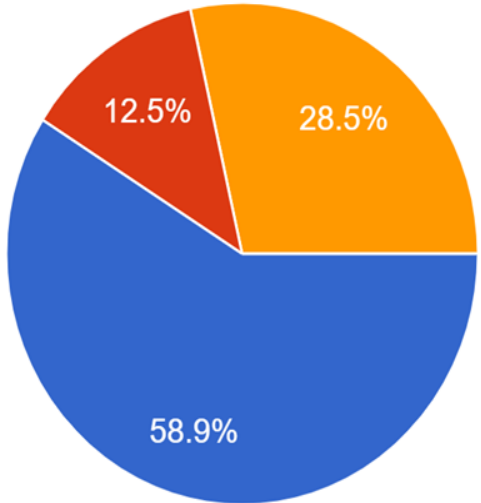

Family Feedback

Learning Modules/Transportation

3. If the District moves forward with a 100% in-person learning model, please indicate your family's intention with this model.

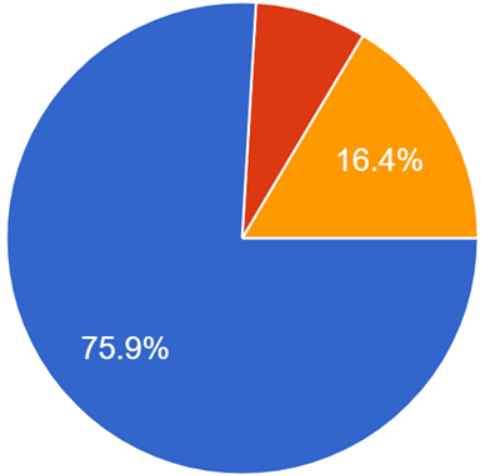

2,660 responses

- I would send my child to school.
- I would not send my child to school and would opt for a full NRSD Remote Learning Model.
- I am undecided.

4. If the District is not able to implement a 100% in-person learning model, the District may move forward with the implementation of a hybrid model...ly 50% of students in the school on a given day.

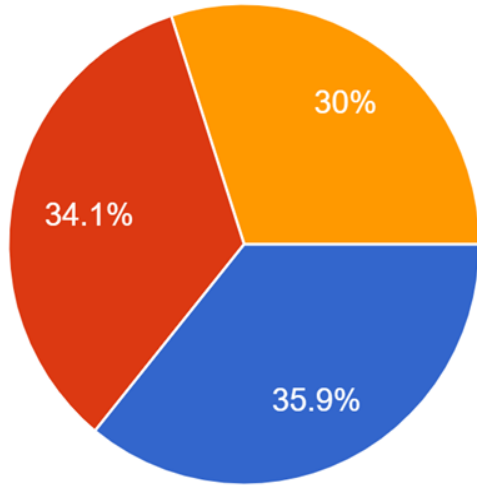

2,660 responses

- I would have my child participate in a hybrid model.
- I would not have my child participate in a hybrid model and would opt for a full NRSD Remote Learning Model.
- I am undecided.

5. If you indicated that you would have your child participate in a hybrid model, please review the potential options below and select your preference for your child.

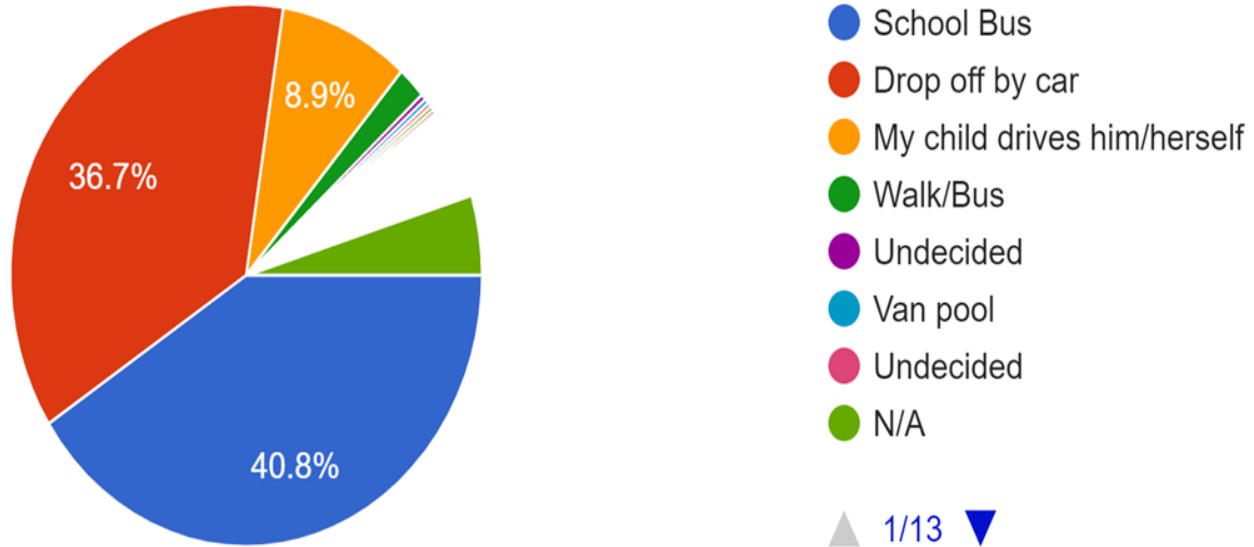

2,366 responses

- Hybrid Option 1: Full Week Rotation (A/B Week)
- Hybrid Option 2: Split-Week Rotation (A/B Days within Alternating Weeks)
- Hybrid Option 3: Split-Week Non-Rotating (A/B Days within Same Week, Everyone Remote on Wed)

6. Please indicate your current plans for your child for transportation to school.
